

BICHE

Your Tunnyman from Groix

The “**Biche**” is the last French tunnyman. This outstanding sailing working boat from the Groix Island built in 1933 in Sables d’Olonnes, can still be restored.

This Dundee will be **rebuilt to sailing standard**. She will show her lines and her unmatched rigging, her sea quality and her famous capacity to sailing and fishing to all. With you, she will sail again for “tuna fishing voyages” spreading at sea her sails and her long poles.

“**Les Amis du Biche**” and the whole maritime community from the Atlantic coasts and islands invites you to bring to life a very beautiful **French monument of the 20th century**.

Come on board, become a sailor from the Groix Island, make “Biche” your boat by paying in a 20 euros contribution. Contacts and information:
